

My Fiddle Has 4 Strings

Sung to: "My Hat, It Has 3 Corners"

My fiddle has 4 strings,
fine tuners, and 4 pegs,
A neck, a back and belly,
but it has got no legs.

A button and tailpiece,
a bridge, a nut, a scroll.
A chinrest and some purfling,
a sound post and F-hole.

It has some ribs and shoulders,
a fingerboard, it's true.
And if you'll sit and listen,
I'll play a tune for you!
